# Twitter Permanently Bans Alex Jones and Infowars

Twitter has permanently banned the far-right conspiracy theorist Alex Jones and his website Infowars from the platform and from livestreaming service Periscope, the company said this afternoon. “Today, we permanently suspended @RealAlexJones and @infowars from Twitter and Periscope,” the company said in a statement. “We took this action based on new reports of Tweets and… https://www.adweek.com/digital/twitter-permanently-bans-alex-jones-and-infowars/
