

(UK) Isle of Dogs Exhibition

It's very likely that Wes Anderson rates pretty highly on most Designer's favourite directors list. He's well known for his precise aesthetic and flawless production values and his recent release Isle of Dogs definitely ticks all those boxes we've become accustomed to seeing from Wes. 180 on London's Strand is currently hosting an exhibition looking into the 'insane set design' from Isle of Dogs. An absolute treat for fans of Wes' work and those curious to know more about his newest masterpiece.
