# Under New Owner, Gawker Is Getting Relaunched

Gawker is relaunching, likely in the first half of 2019. A holding company owned and managed by Bustle Digital Group founder Bryan Goldberg won a bankruptcy auction for the website and its assets in July for reportedly less than $1.5 million. “We won’t recreate Gawker exactly as it was, but we will build upon Gawker’s… https://www.adweek.com/digital/under-new-owner-gawker-is-getting-relaunched/
