About Urban FT

As a people-first company, Urban FT’s biggest asset has always been our employees. In a short time, we’ve grown to employ in excess of 100 people across five offices – both in the U.S. and abroad. Currently servicing 700+ Financial Institutions, the company’s core mission is to empower community banks a

Role Details

Description

We are a rapidly growing company – and we need to expand our team of FinTech rock stars by hiring a Graphic Design Intern! This is a full-time production artist intern level role, with the goal of developing you into a full-time employee, over time, assuming you blend well with our innovative office culture.

Our marketing team is searching for a talented results-driven designer who is not afraid of a challenging fast-paced environment, to help support us in areas of design tasks ranging from print to web.
If you are a creative, collaborative, and interpersonal team player who loves color, typography and bulls then lets chat.

Responsibilities:

Assist the Marketing Department’s daily activities regarding production
Utilizing creative software programs including InDesign, Illustrator and Photoshop

Practice strong organization, project and time management skills
Be a true team player in a collaborative environment
Contribute to the Marketing Department’s goal to provide clients with a superior end-to-end experience that both tells a story and is visually captivating
Sensitivity to confidential information

Skill/Attributes Required

Requirements:
Extensive knowledge in the following programs: InDesign, Illustrator, Photoshop
Savvy to print production
A strong sense of design principles
Working knowledge of Sketch
A Design-related degree
A sense of humor and great attitude
Ability to multi-task in an evolving and fast-paced environment
A bonus if you:
Have experience with After Effects and Principal
Are friendly to UI/UX

Apply/Respond by:
18/03/2019

Send: CV/Resume

This is a full-time internship with a three month contract. At the end of the contract we hope to hire the intern into a full-time employee. We are located on Wall St., and working remotely is not an option. Only NYC greater area candidates should apply, please. Thank you!
