Welcome to the New AgencySpy

If you found this page, you'll notice that there's a different look to AgencySpy. It's no longer a separate site, having been merged into the main ADWEEK site. The new look may come with a few content changes down the road, but we're keeping our favorite features, including Tools of the Trade and Revolving Door roundups. For today, enjoy some news and notes, in what used to be the daily Stir.

Even the most intense fans of any fast food chain might be wary of getting a tattoo of their favorite restaurant.
