Why Inclusivity Should Lead a Company’s Marketing Efforts

Having diversity in a company or a campaign isn’t enough, it must be ingrained in a company’s marketing efforts, according to Gonzalo Del Fa, president of multicultural for GroupM. Companies should develop their marketing strategies with inclusivity in mind, and they must be authentic when doing so, he added.

Don’t miss **The Business of Marketing**, a new series featuring leading c-suite executives sharing insights on the importance of leveraging the intersectionality of marketing, finance, technology, HR and the boardroom to drive business growth. **Tune in**.
