

William Morris Gallery

2D and 3D exhibition designer / Freelance / Paid
London UK

<http://www.wmgallery.org.uk>

2D and 3D exhibition designers for an exhibition at the William Morris Gallery in Walthamstow, East London.

Role Details

We are currently working on an exhibition at the William Morris Gallery in Walthamstow that is due to open in February 2021. It is an exhibition of art, craft and design. We want to create a fresh and contemporary way for visitors to experience the historic objects on display.

For further details and the design brief please email:
Wmg.Enquiries@walthamforest.gov.uk

Skill/Attributes Required

Ideally the designers would have experience of working in a museum setting, but we are willing to work with the right candidates to develop their expertise in this area.

Apply/Respond by:

26/10/2020

Send: CV/Resume

Response to the design brief with design ideas and fee structure.
