

You Could Own a Custom Pair of JNCO Jeans to Ring In Goldfish's Jalapeño Poppers Crackers

Outside of playing Final Fantasy VII on the original PlayStation and reading Buffy the Vampire Slayer fanfiction on Angelfire sites, nothing screams “I was a teenager in the '90s” quite like a pair of JNCO jeans. With the debut of its limited-edition Jalapeño Popper flavor, Goldfish Crackers is embracing the dial-up internet of it all by offering fans a chance to go back in time in a rather bold fashion.
