# YVP Media Solutions

Graphic Design Intern / Internship
bronx NY US

http://yvpmediasolutions.com/

Thinkers, Doers, Creators
Details matter, we rely on visual perspective.
YVP Media Solutions (Your vision printing & media solutions) is a creative mixed media agency. We are an organic Bronx brand that will partner with your brand to exceed limits far beyond sight.

**Role Details**

We are looking for a graphic designer that will be able to prepare artwork for photo content proposal content and social media content. The student will be working under the creative director and his team so that the student will learn to create compelling graphic artwork in a live on site environment. We will provide transportation and lunch as well as offer other freelance opportunity projects that the company will be working on depending on the skill set of the individual.

**Skill/Attributes Required**

We seek interns that offer:
graphic design
web development
video and photography
screen printing
social media marketing

**Apply/Respond by:**
16/01/2019
